

## UGME Breaches of Professionalism Form

This form can be completed by any person in contact with a medical student in any official capacity including faculty, staff, allied health, patients, students and community members.

The purpose of this form is to initiate a meeting between a medical student and the Associate Dean, Undergraduate Medical Education.

Student Name (please print):

Date event occurred:

**A medical student of Dalhousie University Faculty of Medicine is expected to live by the tenets of the Faculty of Medicine Professionalism Policy and demonstrate in her/his behaviours as a medical student:**

- **Respect for others**
- **Honesty and integrity**
- **Compassion and empathy**
- **Duty and responsibility**

In my opinion, the student named above has demonstrated behaviour(s) that fall below the expected standards of professionalism of our Faculty of Medicine, as indicated during the event described below:

Details of unprofessional behaviour:

**This event was discussed with the student:**      **Yes**                      **No**
